

January 24th, 2026

Dear Valued Partner,

On behalf of the Arizona PeriAnesthesia Nurses Association (AzPANA), I am pleased to invite you to become a sponsor for our upcoming educational event scheduled for January 24th in Phoenix, AZ. We are committed to advancing the knowledge and professional development of our members, and your support plays a vital role in making this possible.

This event will bring together perianesthesia nurses from across the state to learn, network, and share best practices. By supporting this educational program, you will not only help promote quality patient care but also gain visibility within our community of dedicated healthcare professionals.

Sponsorship at the event allows you to connect directly with attendees. Your contribution will help us provide high-quality speakers, educational materials, and resources for our participants.

AzPANA would be honored to have your partnership for this event. Please let us know if you have any questions or would like further details about sponsorship opportunities. Thank you for considering this opportunity to support perianesthesia nursing education. We look forward to working together to make our January education event a success.

Bethany Biardi, MSN, RN, CPN, CPAN
AzPANA Vice President.
